## FAMILY HISTORY IN THE GLOBAL VILLAGE

The power of the internet never fails to surprise. Cliff Cockerill, a retired IT engineer from Sequim, Washington State, USA discovered the 'Just Collingtree' website and asked for help in tracing his ancestors from Collingtree. His Great Grandfather John Joseph Cockerill (*pictured right*) emigrated to Nebraska, in America in 1872 and Cliff wanted to find out if any of his distant cousins still lived in Collingtree.

The name Cockerill is well established in local history with references in ancient landholdings and in church records. A Daniel Cockerill was an Overseer of Highways in 1736 and Cockerill's were Church Wardens and members of the church choir in the 1880's. A Mr A Cockerill once ran the village's other pub 'The Oak' on High Street South before it closed down.

Establishing a direct link with the American branch is not easy as there are at least three separate local families

with the name Cockerill. The key link would be Samuel Cockerill (listed in the 1861 census) along with his son Jabez, the father of the sons who emigrated and G Grandfather to his descendant in Washington State. Although not yet fully confirmed, it seems likely that there is a direct link to at least one member of the family still living in Collingtree. If there anyone else who thinks they may be connected, Cliff would love to hear from them on: [cliffc@olypen.com](mailto:cliffc@olypen.com)

### MORE DELAYS ON EXPANSION PLAN

The delays continue in the long running attempt to approve an Expansion Strategy for West Northamptonshire – an area made up of Northampton Borough, South Northants and Daventry.

The Joint Core Strategy (JCS) which includes the allocation of 1000 plus houses on land between East Hunsbury and Collingtree is still being reviewed following the Planning Inspectors request for more evidence to be provided.

This includes a fresh look at the actual numbers of houses needed until 2031 and also more work on justifying the sites that were allocated and the reasons for selecting them.

Opponents of the Hunsbury/Collingtree site (SUE 5) have long argued that other sites with fewer environmental problems, should have been considered first.

Traffic figures compiled during May, show that even before any new building, 57,000 vehicles a week use the Toby roundabout with 12,500 using it each weekday peak period.

Because of extra evidence now needed, the timetable has slipped again and the Inspector is unlikely to be able to complete his report until well into next year.

Despite this, Bovis are still expected to submit a planning application on the SUE 5 site in the next few weeks.

# ST COLUMBA'S +

On the evening of Friday September 13th, a local band of bell ringers, including John Warwick's grandson, rang a quarter peal of 1250 changes.. This was in memory of John Warwick - 20/9/1919 to 13/9/2011 - who was Bell Captain at St Columba's for many, many years.

The Harvest Festival was held on Sunday 22nd September which was attended by over 85 parents and children from Collingtree School. The children read the Bible story of the rich farmer and sang a Harvest Hymn. Many varied gifts were brought by parents and children for donation to the Food Bank in Northampton and these were taken by each child up to the altar. Well done Head Teacher Sonia Clews and Collingtree School.

PARISH COUNCIL NEWS PARISH CLERK: TESS TAYLOR 07729784653 [tessajaylor@icloud.com](mailto:tessajaylor@icloud.com)

**Casual Vacancies** - There are now two vacancies for Parish Councillors who must live in the Collingtree Park ward of the parish. The Borough Solicitor has confirmed that an election is not necessary, so please let the Parish Clerk know if you are interested in being co-opted.

**Dog access - Barn Corner** Thanks to the kindness of Dave Berry, a small gate has now been installed.

**Planning - Barn Corner** An Outline Planning Application (Ref N/2013/0977) has been submitted for the construction of 4 dwellings and access, on the field adjoining Barn Corner

**Golf Course development** Following the Bovis public exhibition on Thursday 12 September, the Parish Council held its Public Meeting on 18th September. This

was quite well attended and local opinions were gained to inform the response to be made by the Parish Council when the application is made. Rumours that the school would be asked to accommodate 100 extra children were squashed by the Headteacher who explained that any children from the development would replace numbers of children from other areas outside the village and numbers walking to school might increase. Please note the minutes of this meeting when they are displayed.

**Pavements** After the growth of the summer, bushes are overhanging or obstructing pavements in some areas of the parish. Would all residents kindly check their situation and cut back any that are causing a problem. The Parish Council does not wish to issue warning letters to resi-

dents but if complaints are received, this will have to be done.

**Street Lights** A lamp has been ordered to replace the one damaged on Lake Walk. Parishioners are reminded that any matter concerning street lights can be raised with the Parish Clerk or the contractors, E.ON on 01604 493743. Having the number of the lamp or its location will help.

*Please make any contact with the Parish Council through the Clerk, Tess Taylor, contact numbers above. Minutes of all meetings are placed in the Parish Council notice - boards and email versions can be obtained from the Clerk.*

**The next Parish Council Meeting will be on Wednesday 13th November 2013 at 7.30pm in the Village Room.**
