

PARK & RIDE FOR COLLINGTREE ?

More details have come to light, on a proposal by Northamptonshire County Council (NCC) to turn all the arable farmland between Watering Lane and the M1, into a massive parking lot. It would be used as a Park & Ride on Silverstone Race Days, but other uses are being explored. NCC has been considering this plan at a senior level since last October but news of this only emerged very recently. Reports and drawings have been seen that show new entrances next to the Hilton Hotel and next to the allotments and cemetery and surfacing that would allow it to be used by 60 ton lorries. The layout below is a representation of what is understood to be proposed. All the internal hedgerows would be removed and there would be parking for up to 3,000 cars.

Collingtree Parish Council and local councillors have set up a meeting with NCC and Silverstone on 12th September, to find out more and to flag up the major problems with the plan including flood risk, traffic issues (village access to the A45 would be cut off on Race Days) and the added pollution levels within the M1 corridor. The land has always effectively been Green Belt. The meeting on 12th September will be followed by the regular Parish Council meeting in the Village Room at 7.30pm - which the public can attend.

Silverstone is important to the regional economy, but why should its parking problems be dumped on Collingtree?

VILLAGE ASSOCIATIONS & SOCIAL GROUPS

Allotment Association

On Sunday 19th August, around 40 members and their families enjoyed a superb Summer Buffet at the allotment gardens (see below) The sun shone and the birds sang. The event was beautifully organised by Rob, Kendal and Emma Brodie. *For details of plot availability contact Graeme Joll 767277*

Women's Institute

The next meeting is on September 13th at Milton Malsor Village Hall at 7.30pm. The subject of a talk by Alan Standish will be 'Metal Detecting' and the competition will be 'A Holiday Find' *More details from Ann Marsh on* 766060

SPORTS CLUBS

Cricket Club

Last minute cancellations by opponents has meant only 3 Sunday matches. Old twice, and Huncote. All 3 were wins for Collingtree with the Huncote match being won in the last over with a 50 by Terry Rhodes. The season's last game is at home on 30th September.

Tennis Club

Collingtree Tennis Club is enjoying (finally) the summer weather, although the Summer League matches are now complete. Our men's 'A' team won their division decisively, gaining promotion to Division 2 for 2013. Our men's 'B' and mixed teams fared less well, but played a full season with some very enjoyable matches and a few memorable results. We are now preparing for the winter competition

Park & Ride proposal Watering Lane. The PC is aware of this proposal and representatives have attended a meeting with NCC officers and are meeting with Silverstone representatives on 12th September. *This will mean that the latest information will be discussed at the scheduled Parish Council meeting that same evening,*

Pedestrian Crossing - Help needed. Following an incident by the Watering Lane crossroads at the end of the last school term, there are renewed calls for a pedestrian crossing at that location. A child was hit by a car but very fortunately, not run over. Around 25 children now use this crossing to get to and from school. Approaches have been made to the County Council by the PC, supported by the school and local police but there is limited funding available. It would help our case if some funds could be raised locally. The PC can help and local Borough and County Councillors will be approached but additional financial support from

the local community would strengthen the case. It would demonstrate that the crossing had community backing and help gain priority.

Playing Field Parking. Although the protective mesh is not yet in place, the surface of the triangular area should now be fine for parking and all users are asked to park there.

Windingbrook Lane Dog waste. Dog walkers are requested to use the dog waste bin at the end of the Black Walk bridleway by the Golf Pro Shop.

Response to Expansion Strategy

The deadline for the latest round of consultation on the Joint Core Strategy for Northampton/South Northants and Daventry, ends on 23rd September. The Strategy includes 1,000 houses on farmland adjoining Wootton Brook.

The Hunsbury and Collingtree Residents Alliance (HCRA) has been advised that the national guidelines for calculating traffic impact now assume 7 traffic movements per household per day. Consequently the likely impact of 1,000 new houses on Rowtree Road is 7,000 traffic movements per day and HCRA has now registered this in its response to the strategy consultation.
